- **DEVELOPMENT STACK:** HTML | CSS | JavaScript |Java | Python | React | MySQL.
- **TECHNOLOGIES:** Node JS |REST API | Git | Git Hub | UI/UX | Artificial Intelligence | Netlify | Agile | WordPress | Figma.
- **SOFT SKILLS:** Critical Thinking | Analytical Skills | Problem Solving | Teamwork | Communication

## PROFESSIONAL EXPERIENCE

**UNITED BANK FOR AFRICA** LAGOS, NIGERIA

*Graduate Management Acceleration Program* *December 2025 – Present*

- Rotated across Digital Banking, Retail Banking, Treasury, and Sales functions, gaining end-to-end exposure to fintech product operations within a Tier-1 African bank.
- Supported the promotion and onboarding of digital banking products including Mobile Banking, USSD, Internet Banking, Debit/Credit Cards, POS, and E-commerce payment solutions, driving increased customer adoption and transaction volume.
- Participated in product knowledge sessions covering prepaid cards, consumer lending, SME banking products, and global investor services, enhancing understanding of revenue models and product positioning strategies.
- Delivered structured presentations and business reports during product and strategy modules, strengthening analytical thinking and product communication skills.

**SWIFT NETWORKS LIMITED** LAGOS, NIGERIA

*Graduate Network Engineer* *January 2024 – March 2025*

- Configured and deployed site-to-office connectivity using Huawei Web LCT software, achieving **zero post-deployment issues** across **10 office locations**.
- Implemented XPIC technology to aggregate and optimize single RF links, resulting in a **2x increase in network capacity** from **100 Mbps to 200 Mbps** and significantly reduced congestion for over **500 users**.
- Accomplished uninterrupted network operations as measured by a 95% reduction in post-installation alarms, by proactively monitoring and resolving issues following RF and microwave antenna deployments.
- Minimized site downtime by reducing Mean Time to Resolution (**MTTR**) from **4 hours to 1 hour**, through real-time monitoring in the NOC and proper incident escalation.

**OSEKEMI PROPERTIES** LAGOS, NIGERIA

*Technology Intern* *January 2022 – June 2022*

- Improved website load time from **5 seconds to 2 seconds** by optimizing page structure, content workflows, and listing efficiency.
- Collaborated with the Head of Technology to launch AR/VR-enabled property tours, boosting virtual tour interactions by **50%**.
- Led the integration of a next-gen camera system compatible with VR headsets, delivering the company's **first immersive virtual tour experience** across **5 properties**

- Reduced property listing turnaround time from **3 days to 1 day** by streamlining content updates and automating data uploads

**BABCOCK UNIVERSITY** OGUN, NIGERIA
*Software Engineer Intern* *May 2022 – May 2023*

- Developed a smart city logistics chatbot that provided real-time tracking updates, reducing user inquiries by **70%** during pilot testing.
- Designed a Bluetooth recording app with under **50ms latency**, achieving **90% user satisfaction** across various device platforms.
- Delivered a Blood Bank Management System within **3 months**, serving **5 hospitals**, using agile methodologies and clean, maintainable code.

## PROJECTS

**Personal Portfolio Website** [HTML | CSS | JavaScript]

- Developed a fully responsive personal website to showcase projects, resume and contact details, with a focus on clean UI/UX and mobile-first design principles.

**Blood Donor Mobile App** [PHP | MySQL | JavaScript | Android Studio]

- Designed and developed a humanitarian-focused blood donation system to connect wiling donor registration, database management and user interaction using Android Studio, PHP, and MySQL, with scalability for community or institutional use.

**Blog Website** [React | CSS]

- Created a responsive blog website featuring dynamic content rendering and a clean, user-friendly interface

## EXTRA-CURRICULAR ACTIVITIES

- **GDSC Babcock** | Product Design Member.
- **Babcock University Computer Club (BUCC)** | Member**.**
- **King's College, Lagos** | Assistant Class Captain.
